# Chapter 1

## Chapter Title

Hello, here we go.

## Chapter 2

# Chapter Title

This is the first sentence in a chapter. I am currently collaborating on an application with at least four other individuals. I'm starting to understand how using Git and GitHub could be quite useful. I'm not sure my collaborators know how to use it.

### 2.1 Section heading

Here is another sentence for a first paragraph.

## **Chapter 3**

# **Another Chapter Title**

Here is some text for the introductory paragraph for another chapter.

### **3.1 Another section heading**

Here is some more text.
